Court Proceedings.

In the Court of Common Pleas the case of W. H. Newell against C. H. Taylor and Sidney Gwynn went to the jury Wednesday morning. After long deliberation a verdict was returned in favor of the defendants.

The case of Mrs. Annie Mahaffey, of Williamston, against J. Matt Cooley was entered into Thursday. This was an action brought to recover \$1,500 for services rendered the defendant by the plaintiff while boarding with her in Williamston. B. M. Shuman, Esq., of Greenville, represented Mr. Cooley, and Quattlebaum & Cochran and Tribble & Prince appeared for Mrs. Mahaffey. The verdict of the jury was for the defendant.

The last and most important case that came up at this term was that of J. F. Hicks against the Belton Cotton Mills. This was an action brought by Hicks against the mill for \$10,000 damages for injuries sustained while in its employ. Hicks was washing a window in the mill when he fell from the scaffolding, sustaining severe injuries from which he is yet a cripple. Hon. M. F. Ansel and J. C. Hunt, of Greenville, represented Hicks. Maj. A. T. Smythe, of Charleston, Bonham & Watkins and Tribble & Prince represented the cotton mill. The jury returned a verdict for the defendant, the Belton Cotton Mills.

There are a great many cases still awaiting trial, some of them of considerable interest and importance, and it is now understood that a special term will be asked for, probably for December or January.

Mr. Ansel Will Run For Governor.

Hon. Martin F. Ansel, of Greenville, was in the city last week attending Court, and while here authorized the positive announcement to be made that he would be in the race for Governor to succeed Mr. Heyward in 1906. Since his race two years ago, in which he received such a flattering vote, it has been generally supposed that Mr. Ansel would again offer himself for gubernatorial honors, but this is his first positive announcement to that effect.

Mr. Ansel is very popular in the Piedmont section, and particularly in the Eighth Circuit, where he served twelve years as Solicitor. In 1902 he received in Anderson County four-fifths of the total vote polled in face of the fact that he had several strong opponents. He will soon begin his preliminary campaign and with bright prospects of success.

A Most Pretentious Affair.

The Charleston Fall Festival and Glee Week Jubilee takes place Nov. 21-25 and will be the most pretentious affair that has ever been undertaken in the South, and the committee is using every effort to make it most elaborate, interesting and conspicuous event of 1904. They have secured the most costly, novel and daring features as well as startling attractions that have ever been presented in this section.

They propose to establish a Luna Park, which is the first thing of this kind ever attempted in the South, which will, with its dazzling light, present a picturesque scene beyond description, and will make every day a gala day and every night a feature night.

The program is replete with parades and pageants which will take place on special dates. Monday, the 21st, has been selected as opening day of Luna Park. Tuesday, Charleston Day, a number of serial and acrobatic acts will be given on the street. Wednesday, Military Day, on which occasion the parade will be the largest seen in this section for a number of years. The fact that Col. Schachle is in charge of the parade is a guarantee of success. Thursday, Thanksgiving Day, foot ball game between Furman and Charleston, football, civic and trade parade, with special prizes for agricultural features. Friday, Christmas Eve, grand parade with Charleston's gates will be thrown open to welcome the guests from all over the South to the Fall Festival and Glee Week Jubilee to take place Nov. 21-25, which will be the largest festival Charleston has ever had.

Meeting of Executive Board.

The Executive Board of the Sunday School term of the First Baptist church at Anderson on Wednesday, Nov. 2nd, 1904, at 11 a. m. sharp. Members to please attend. Churches desiring appropriations for the term will bring their applications with the Secretary, T. T. Wakefield, or with the chairman, M. McGee, Chairman.

Simpson-Nardin Wedding.

Prof. W. Nardin, of this city, and Miss N. Simpson, of Hartsellville, Arkansas, were married last Wednesday afternoon at Hartsellville. The ceremony was performed in the Presbyterian Church in that city after which they left for Anderson.

Mr. Nardin is a son of Dr. W. H. Nardin, of this city. He is a young man of many excellent qualities and sterling worth. He is an electrician, having received his training at the Alabama Polytechnic Institute. He now has a position in Hartwell, Georgia, where he and his bride will make their home.

Progressive Anderson.

Many citizens of South Carolina and other sections of the country, do not know that Anderson has a plaza, but the Civic League does not intend that such uncalculated ignorance shall long obtain, and acting with its customary zeal for the development of the town and county, confident that they have the best city in the up-country, the Civic League has sent broadcast over the land posters, on the reverse side of which are photographic views of the main points of interest in and about the city.

A number of these cards were received in this city last night, and the Civic League was warmly commended for the enterprise which they have always and are now displaying. The citizens of Anderson are public-spirited, and the future growth and prosperity of the pretty and thriving city is assured.—Charleston Sunday News.

Death of a Worthy Young Man.

The family of Mr. W. A. G. McWhorter are deeply bereaved in the loss of the eldest son, Walter, on the 22nd inst., after an illness of only three weeks with fever. The tenderest care, the best nurse and the most skillful medical aid were given, but the ravages of disease, but availed nothing. So young, only 21, with bright hopes and fair prospects, it might be said "his sun went down while it was yet day." But there is comfort to the sorrowing in the thought that "it rose again to shine upon a fairer shore." He had been for some years a member of the Methodist Church and was a noble young man with sterling qualities, gentlemanly deportment and genial manners that won for him a host of friends.

He graduated last June at Clemson and, besides the regular course, took a special course in electricity, thus fitting himself for his chosen avocation as an electrician.

Last Sabbath at 4 p. m. he was laid to rest in the cemetery at Sandy Springs amid a concourse of sorrowing friends. The casket was covered with flowers and was borne to its last resting place by six of his former comrades at Clemson.

In the unavoidable absence of his pastor, Rev. M. B. Kelly, of Anderson, conducted the funeral services. The family have the sympathy of the entire community in their great sorrow. A Friend.

Marriage of a Former Citizen of Anderson County.

The North Georgia (Dalton) Citizen of the 15th inst. contained the following notice of the marriage of a young gentleman formerly of Anderson County, and whose bride also has a number of friends and relatives in this county. "At the close of a beautiful, solemn and impressive ceremony last night at twenty minutes past six o'clock, Rev. W. Way pronounced Miss Grace Whitman and Mr. O. E. Horton husband and wife.

"In the presence of a brilliant assemblage of invited guests and friends the union of these young people was consummated at the First Presbyterian church of this city, while Mrs. Nell Manly McWilliams played appropriate airs on the large pipe organ. "As the time drew near Hon. W. C. Carter, Mr. Geo. M. Brown, Mr. T. R. Jones, of Atlanta, and Mr. G. W. Hamilton, Jr., of Dalton, uttered the fortunate ones to their seats. When the first notes of the organ swelled out into the auditorium Miss Marian Strickland, of Cartersville, and Kate Hamilton, of Dalton, walked down the first aisle, Miss Mary Hill Carter of Dalton, and Miss Marie Fleimster, of Chattanooga, simultaneously went down the left, each carrying huge bouquets of pink roses, and were dressed in beautiful white dresses, short veils reaching the knees and caught in the hair with a touch of blue. Immediately following came the bride, leaning on the arm of Miss Addie Whitman, of New York, down the left the groom with his brother, Mr. E. C. Horton. The couple were preceded by the ushers, forming a semi-circle in front of the pulpit. It was one of the most perfectly planned and most successfully carried out wedding programs ever witnessed in Dalton. The couple left for the northbound W. & A. E. R. train for an extended tour, after which they will reside in Atlanta, where Mr. Horton, with his brother, is engaged in the successful practice of law."

Belton News.

An alarm of fire was sounded by the big whistle of the Belton Mills last Friday night, and soon from a distance could be seen the flames of a burning building rising above the top of the mill. The fire was the burning of the waste house, a wooden building near by. The flames were quickly checked by streams of water and the damage resulting was small.

A large number of delegates were in town Wednesday in attendance upon a missionary rally of the Saluda Baptist Association held in the First Baptist Church. Mrs. Entenmeyer, of Greenville, was present and gave a talk about the line of missions, in which work she has long been interested.

Robbed the Grave.

A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and chest, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement, I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at Orr, Gray & Co., drug store.
